

Camping Quick Paint Care

Description

Premium gloss sealing spray with innovative protective formula for fast, waterless paintwork care between treatments. Effortlessly removes light soiling such as dust, fingerprints or water spots from all smooth surfaces on motor homes, camper vans, RVs, and passenger cars and leaves the paint with a brilliant deep gloss. Seals smooth surfaces for several weeks and provides an excellent water repellent effect. Provides long-term protection against aggressive environmental influences and reduces new dirt adhesion.

Properties

- quick and easy to use, without water
- excellent water repellent effect
- effortlessly removes light soiling
- innovative protection formula
- protects against aggressive environmental influences
- prevents immediate re-contamination
- suitable for paint, GFRP and polycarbonate

Technical data

Form	liquid
Color / appearance	rose
Odor	pleasant
pH value	8,5
Density	0,99 g/cm ³
Shelf life in original sealed container	24 months

Areas of application

For smooth surfaces such as paint, GFRP, smooth plastic surfaces, etc. in the camping and outdoor segment. Not suitable for matt painted surfaces.

Application

1. If required, clean the surface to be treated first. Pre-cleaning is not necessary with dust or water spots. 2. Shake well before use. 3. Spray thinly and evenly onto the paint and wipe off with Microfiber Cloth super soft (part no. 21892). Can also be applied to wet paint. Note: Do not let dry! Do not spray onto hot surfaces or use in direct sunlight! Store protected against frost!
